

CLASSIC RANGE

SHIRAZ

VARIETAL

Shiraz 2001

DESCRIPTION

This wine has a deep garnet colour with a youthful red tint and shows the characteristics of the Paarl area.

It is a typical New World wine – very upfront fruit. On the palate there are soft tannins, well balanced with wood vanilla.

The perfectly ripened Shiraz produces a wine that is fresh and fruity, a well integrated wine with smoky characters complemented by subtle berry and spicy flavours on the palate.

Although accessible when young, this Shiraz has a good maturation potential of seven to ten years.

ANALYSIS

Alc. %vol	R.S. g/l	T.A. g/l	pH	Free	SO2 Total
